

# PROGRAM SELECTION CRITERIA

Applications for Co-op Membership and housing will be assessed against the applicant's:

- Understanding of how co-ops work and a member's role
- Understanding of a tenant's role and responsibilities, and positive tenancy history
- Understanding of the co-op's role as landlord
- Ability to contribute as part of a group
- Long-term housing needs
- Demographic match co-op needs
- Shared values with co-op, as established by the co-op before the interview
- Relationship to the community and current connections held in the area
- Relevant skills to contribute to the co-op

**Please Note:**

Each co-op will prioritise these criteria against the current needs of the co-op at the time of interview.
