-INVITATION TO CO-OP TRAINING -

Dear Co-op Members,

The Training Advisory Committee and CEHL invite you to attend a training session about the impact on co-ops of the changes to the Residential Tenancies Act (RTA). The RTA changes are due to all be implemented by January next year and it's time to get ready!

Sessions will be held via Zoom in the week of 22-25 June see page 2 of this invitation for details.

Please RSVP by registering for whichever session suits you best – doesn't have to be specific to your region.

This training is most relevant for co-ops that deliver landlord duties

The training will include:

- An overview of the RTA changes that will likely have an impact on co-ops
- What the RTA changes might mean for co-ops with landlord responsibilities (CERCs)
- How CEHL and co-ops can work together to address the new RTA requirements
