

# PROGRAM ENGAGEMENT REVIEW

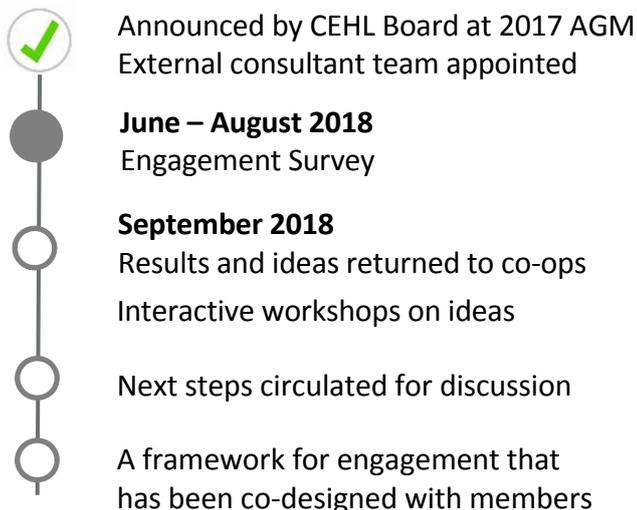

## A PATHWAY TO A CO-OP LED PROGRAM

The CEHL Board recognises that for us to achieve a co-op led Program, co-ops must be provided with real and effective opportunities to influence Program decisions and direction. As shareholders in CEHL, member co-ops have a fundamental right to do so.

Improving our approach to engagement is an important first step. The Program Engagement Review will find out the best ways to do this. Please take 25 minutes to fill out our survey to start the conversation.

### Review Timeline

### Meet the Team

The CEHL Board has appointed an expert consultant team, led by Jeanette Pope, to conduct the review.

Jeanette has worked at a senior level in strategy, policy and research and engagement. Her work has been focused on the goals of building stronger communities and changing the way organisations operate.

In 2012, Jeanette won a lifetime achievement award for building the evidence base for community development as a public policy solution in Victoria.

### Your opinion matters!

We are seeking your opinion in two rounds. The first is an online engagement survey. We are looking for your co-op's view, meaning that one survey covers your whole co-op.

You can fill the survey out online, on a mobile phone, on paper, or you can call us to do it over the telephone if you would like to talk.

You can find the survey, supporting tools and further information online here:

[yourview.cehl.com.au/cehl-engagement-home](http://yourview.cehl.com.au/cehl-engagement-home)

Or go to **Have Your Say** on the **CEHL website** and follow the **Program Engagement Review** links.

Once we have heard from every co-op we will compile the results and run interactive workshops to talk to each other about the ideas raised.

We are looking at what existing planned engagement opportunities we might be able to make use of for these sessions.

If you have any questions about the survey, you can contact Merle Zierke on 0407 706 611.
